

## ACKNOWLEDGEMENTS FOR REVIEWERS 2015-2016

The Scientific-Editor and Technical-Editor of *Maderas-Cienc Tecnol* are grateful to the reviewers for their assistance as referees into the peer review processes of the journal. The quality of the scientific contents of the *Maderas-Cienc Tecnol* depends on the conscientious work of the reviewers. We appreciate their effort in reviewing the manuscripts and greatly value their availability for sharing their time and expertise with *Maderas-Cienc Tecnol* journal. We appreciate their careful evaluation of the manuscripts received during 2015-2016, to the next list of the reviewers:
